

***Do you like to sing? Do you like to sing with other people?
Minerva's has a treat in store for you!***

A Fall Weekend of Song and the Ocean: What could be better than THAT?

October 12-14

Choral Director Lyn Ransom

Will be joining us!

Why don't YOU bring your family and come too?

Professor Ransom, the founder and music director of the VOICES Chorale and chamber group, has been a guest conductor for the New Jersey Chamber Singers, Greater Trenton Symphony Orchestra, and Riverside, and has led VOICES on several European concert tours.

Along with her more than four decades of voice training and conducting experience she has taught violin, voice, and conducting, and has created the VOICES Young Composers Project for children ages 5-12. Out of her passion for making music accessible and fun, Lyn became co-author of "Music Together Preschool," a music education program for young children, their teachers, and their parents. So bring your school-age kids!

So... what will we do at a singing weekend at Minerva's?

First of all—we will ***eat*** well:

- ***Friday evening***: we'll dine on Emma's homemade soups whenever you arrive
- ***Saturday morning*** starts with Minerva's traditional yummy breakfast

Then Lyn Ransom will invite us to have fun singing!!

She will lead us in singing a variety of music, and maybe in creating our own songs. We'll sing some of your favorite songs, and you'll have someone to harmonize with you! Lyn will also give us some tips on protecting and maximizing our singing ability.

Then there's lunch on your own and Saturday afternoon to enjoy Barnegat Light shops and eateries, the lighthouse, and the ocean!

A sing-along, and a yummy group supper at Minerva's rounds out Saturday, then Sunday morning there's breakfast and more music before we return home...with a song in our hearts!

The ***all-inclusive price for the weekend (including the four meals)*** is only ***\$250/adult (\$215 if you are sharing a room)***. Children 5-14 are free; 15-21 \$60/each.
